

Consumer Liaison Group Coordinating Committee¹

According to the [Consumer Liaison Group Purpose and Structure Document](#), the Consumer Liaison Group (CLG) shall be assisted by a Coordinating Committee (CLG CC) that will serve as a conduit for information between ISO New England and the CLG working closely with the ISO's designated point of contact. The CLG CC will establish the meeting agendas and work to fulfill the purpose of the Consumer Liaison Group - to create a convenient and meaningful forum for the flow of information between ISO New England and those who ultimately use and pay for electricity in New England.
